Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted Mr. Kilyk to inform him that the application would be in condition for allowance if claim 22 were amended by inserting after "receptors" -to treat glaucoma or to control normal or elevated intraocular pressure-. The amendment is necessary to avoid a rejection of the claim under 35 U.S.C. 112 1st paragraph. It was agreed that claim 22 would be amended as discussed supra by examiner's amendment..
